RULE SUMMARY

Due to requirements regarding filing permanent administrative rule filings pursuant to ORS 183.335 (12)(a) the agency and the board must re-file administrative rules related to definitions, affidavit of licensure, and standardized practice standards and guidelines. Continues to synchronize with current agency provisions and requires that all certified and associate sex offender therapists adhere to the same practice standards and guidelines when evaluating, treating, and managing sex offenders.

- Division 800: amends the definition for affidavit of licensure to streamline and align with procedures under the current agency model. Removes fee for certification under grandfathering provision, which expired on March 15, 2009. Amends current delinquent fee to be consistent with other agency programs.
- Division 810: amends language regarding affidavit of licensure to align with procedures under the current agency model and allow flexibility for receipt of information based on agency review. Repeals grandfathering language which expired on March 15, 2009.
- Division 840: adopts requirement that all certified clinical and associate sex offender therapists adhere to standardized practice standards and guidelines for the evaluation, treatment and management of adult male sex offenders, juvenile sex offenders and adult sexual offenders with intellectual and other developmental disabilities. Practice standards and guidelines for adult male sex offenders can be purchased at <http://www.atsa.com/form.html>. Practice standards and guidelines for juvenile sex offenders and sexual offenders with intellectual and other developmental disabilities can be reviewed on the boards Web site at <http://www.oregon.gov/OHLA/SOTB/index.shtml>.
